Red Book Workshops

The Red Book workshop is a 'hands-on' session for people who want to learn how to maximize their ease and satisfaction in using the directory.

We also offer workshops in communication and information and referral skills. Any of these sessions can be customized to meet your agency's particular needs.

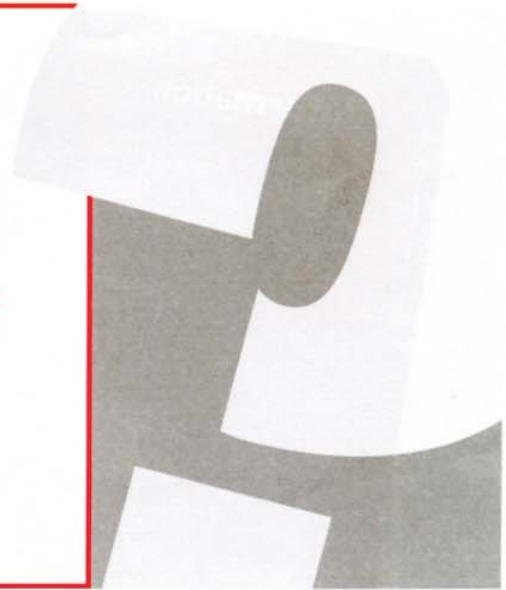

For more information, please call 604 875-6431 or take a look at our web site at www.communityinfo.bc.ca.
